

Press Release

4/21/2023

FEMA REPRESENTATIVES ON LOCATION TODAY

MEDIA CONTACT: Pam Isaac 765-456-2052

As a result of the Tornado Damage and the Presidential Declaration of a Major Disaster in Howard County Indiana

Representatives of FEMA will be starting a physical Door to Door on location assessments throughout Howard County. This means that you may see unknown people on your property, they will have identification. Friday 4/21/2023 starting at 9:00am 2 teams will be in the West (Russiaville) and East (Greentown) and will work during the weekend coming into Kokomo. Please try to answer any questions they may have. "What if I am not home?" There will be flyer information left in your door by the teams.

We are expecting to have an information / registration meeting in May.

Again, please share this information with others.

Thank you!
